July 13, 2011

Enclosed please find the amended April 15 FEC report from Bob Massie for US Senate (formerly The Massie Committee). I have enclosed the first four summary pages as you instructed.

The following errors were in the April 15 original report:

On January 29, 2011, Steven Lydenberg contributed \$500.00 to the campaign by check. This amount was deposited into the bank but was not entered into the data base (NGP). This mistake was corrected.

On February 19, 2011, Donald Goldman contributed \$18 to the campaign online. This contribution was downloaded twice into NGP. This error has been corrected.

The addresses for ACT Blue were transposed: the PO Box was given for the service fees and 14 Arrow Street was given for the contributions. This has been corrected.

Thank you for your service.
